

St. Luke's Time and Talent Ministry/Volunteer Opportunities

*“An Episcopal community welcoming all who seek a loving,
inquiring and healing home, in service to God and our neighbor.”*

We invite you to take some time to discern the gifts that God has put in you – the passions, the holy discontent, the talent, the energy and the drive. Hopefully when you look at the ministries listed here you find something that speaks to the deep places in you.

What hobbies bring you joy?

What are you passionate about?

What have you been involved in over the years where you felt most connected to God?

What kinds of tasks do you dislike or feel draining?

Many households are stretched with employment and family commitments. At the end of this questionnaire, you will find a list of ministry opportunities that have flexible schedules and limited time commitments. This is not an exhaustive list. More opportunities will be added later.

Which of the following ministries are you interested in learning more about and possibly serving, which areas are you interested in doing and/or which areas are you currently doing and want to continue? Likewise, if you want to step down from a specific ministry, write “no” by the righthand column.
